<b>Bugzilla-Id:</b>	2834		
<b>Description</b>			
A couple actor icons that aren't correct:			
MATLABExpression (this actor currently uses an arrow icon, but it should use the standard MATLAB icon--teal rectangle with the M in a purple box in one corner)			
Actors categorized under "exception control" and "unit test control" should have the general workflow control icon (not blank teal rectangle).			

History

#1 - 05/04/2007 08:37 AM - Kirsten Menger-Anderson

Another actor icon that needs to be changed is StatusChecker. It should have an ExecutionActor icon (blank teal background with the "\$\_" symbol).

#2 - 05/09/2007 11:12 AM - Kirsten Menger-Anderson

A comment from a user about Model actor icons:  
LinearModel actor icon does not have a horizontal arrow (as expected if this actor is part of the Model actor family, which is implied by the actor name)

#3 - 01/25/2008 10:48 AM - Chad Berkley

added matlab icon and assigned it to the matlab actor

changed icon to "control" icon for the following:  
exceptionControl  
unitTestControl  
NonStrictTest  
ThrowModelError  
Test  
TypeTest

LinearModel is an R-based actor so it has the R icon. I think that fact trumps the fact that it is in the Model Actor family so I'm leaving it as is unless someone objects.
