

InfoVeg - Bug #2858

Need 6 spots for posts on datasheets

06/02/2007 03:15 PM - Michael Lee

Status:	Resolved	Start date:	06/02/2007
Priority:	Normal	Due date:

Target version:	x2007-Aug	Spent time:	0.00 hour
Bugzilla-Id:	2858		

Description

Posts. The level 1 plot sheet has a place for 5 posts. There is a tendency to record all posts (rather than just displaced posts), and then with a 5x20 you need 6 slots rather than the available 5. Let's add to the datasheet a 6th spot for post location.

History
