SANParks Informatics - Bug #2931

Automatically include default upload file names for inserting ESRI data packages

09/03/2007 07:02 PM - Chris Barteau

Status:	New	**Start date:**	09/03/2007
Priority:	Normal	**Due date:**	
Assignee:	Chris Barteau	**% Done:**	0%
Category:	general	**Estimated time:**	0.00 hour
Target version:	Unspecified	**Spent time:**	0.00 hour
Bugzilla-Id:	2931		

Description

Present the user with a single update field for the metadata file (displayed on the metadata page). Upon file selection, add additional update fields to the page populated with the default file types for an ESRI data package. Include a button to dynamicaly increase the number of upload file fields.
