InfoVeg - Bug #2949

Virginia

09/08/2007 02:33 PM - Robert Peet

Status:	New		**Start date:**	09/08/2007
Priority:	Normal		**Due date:**	
Assignee:	Robert Peet		**% Done:**	0%
Category:	atlas		**Estimated time:**	0.00 hour
Target version:	Unspecified		**Spent time:**	0.00 hour
Bugzilla-Id:	2949			

Description

Extract the Virginia plot data from their database and prepare for the atlas backend with concept assignments to Weakley, or as needed Radford.

When this is complete, we will pass this to Xianhua to add a new data source for plot data.
