

InfoVeg - Bug #2953

Update community classification

09/08/2007 02:51 PM - Robert Peet

Status:	New	Start date:	09/08/2007
Priority:	Normal	Due date:	
Assignee:	Robert Peet	% Done:	0%
Category:	atlas	Estimated time:	0.00 hour
Target version:	Unspecified	Spent time:	0.00 hour
Bugzilla-Id:	2953		
Description			
We have identified many more plots to communities. The community assignments should be updated in the backend database.			
Bob will contact Forbes to obtain an update.
