

FIRST - Bug #3048

Verify number of columns in data file meets or exceeds the number of questions in the assessment

12/27/2007 01:36 PM - Ryan McFall

Status:	Resolved	Start date:	12/27/2007
Priority:	Normal	Due date:	
Assignee:	Ryan McFall	% Done:	0%
Category:	parser	Estimated time:	0.00 hour
Target version:	parser-alpha1	Spent time:	0.00 hour
Bugzilla-Id:	3048		
Description			
In the SelectDataFile screen, if we pick a data file that doesn't have at least as many columns as there are questions in the assessment, we should warn the user. Most likely this is an error - if they're assigning scores there must be at least this many columns.			

History

#1 - 12/27/2007 01:46 PM - Ryan McFall

Made changes in SelectDataFile.setupListeners to make this test happen.

#2 - 03/27/2013 02:22 PM - Redmine Admin

Original Bugzilla ID was 3048
