Target version:	1.0.0rc1		**Spent time:**	0.00 hour
Bugzilla-Id:	3055			

Description

The DarwinCoreDataSource actor can have its output set to 'As Field'. However, it then appears not to iterate through all the data in a column. Instead the first value in the column is repeatedly sent.

History

#1 - 01/16/2008 10:50 AM - Dan Higgins

As Field and As Row setting now iterate through all the rows of the data

#2 - 03/27/2013 02:22 PM - Redmine Admin
