increasing priority because this affects the most basic levels of functionality of the client.

#2 - 08/22/2000 10:24 AM - Matt Jones

clarified action needed in subject, making it clear that we need the dataset id reference in the metadata files in order to access the data set from a metadata query.

#3 - 08/23/2000 02:28 PM - Matt Jones

reassigned to berkley

#4 - 09/27/2000 08:31 AM - Chad Berkley

Added datasetid to resource. Also, the package dtd and schema are defined and implemented in metacatServlet.
