

Kepler - Bug #3133

R is not added to the path

02/05/2008 01:50 PM - Chad Berkley

Status:	Resolved	Start date:	02/05/2008

Target version:	1.0.0rc1	Spent time:	0.00 hour
Bugzilla-Id:	3133		
Description			
The errors cxh got with R seem to be coming from the fact that R is installed, but not put into the path on windows. I'm trying to figure out how to do that with IzPack right now.
