| <b>Description</b>  |                  |                        |            |
| On the primary morpho screen that displays data packages - when I created eml literature citations to associate with my data sets they show up as data packages - they also will not open from that screen. |                  |                        |            |
| James   |                  |                        |            |

### History

#### #1 - 11/06/2001 03:33 PM - Dan Higgins

This bug is already fixed in the latest CVS version (although not in the Beta1.3 release)

#### #2 - 03/27/2013 02:13 PM - Redmine Admin

Original Bugzilla ID was 320
