

Kepler - Bug #3221

offset new windows

04/15/2008 12:18 PM - Derik Barseghian

Status:	New	Start date:	04/15/2008
Priority:	Normal	Due date:	
Assignee:	Derik Barseghian	% Done:	0%
Category:	interface	Estimated time:	0.00 hour
Target version:	3.X.Y	Spent time:	0.00 hour
Bugzilla-Id:	3221		
Description			
New blank workflow windows overlap exactly. It would be nice if each new window was slightly offset from the last.
