

FIRST - Bug #3340

Allow adding new external file from AssignExternalFiles screen

05/30/2008 08:11 AM - Ryan McFall

Status:	Resolved	Start date:	05/30/2008
Priority:	Normal	Due date:

Target version:	Unspecified	Spent time:	0.00 hour
Bugzilla-Id:	3340		
Description			
Right now if you miss a file it's a hassle to go back and add it. This might be fixed by making an add file option to AssignExternalFiles, or it might make more sense to move the screens that decide about external files so they are right next to each other.			

History

This has been fixed by reordering screens. All labeling of data columns occurs first, then the user is asked for external files and assigns them. The flow seems much better.
