FIRST - Bug #3359

Allow files to be assigned to only sensible types of data

06/03/2008 10:39 AM - Ryan McFall

Description

It doesn't make sense to allow files to be assigned to scores, number of tries, or time - probably only Responses and Feedback.

As part of this process, it probably makes sense to make an enum of the possible data types, and then modify ChooseTypesOfDataToImport to create a checkbox for the types of values in that enum.
