

Metacat - Bug #3373

Create skin specific configuration utility

06/09/2008 08:50 AM - Michael Daigle

Status:	Resolved	Start date:	06/09/2008
Priority:	Normal	Due date:	
Assignee:	Michael Daigle	% Done:	0%
Category:	metacat	Estimated time:	0.00 hour
Target version:	1.9	Spent time:	0.00 hour
Bugzilla-Id:	3373		
Description			
Skins need to be configurable on an individual basis. The existing (new for 1.9) configuration utility needs to be modified to handle individual skins.			

History

#1 - 08/05/2008 08:44 AM - Michael Daigle

Skins configuration was created. The control is in SkinsAdmin.java and the page is skins-configuration.jsp.

#2 - 03/27/2013 02:23 PM - Redmine Admin

Original Bugzilla ID was 3373
