

FIRST - Bug #3405

Invalid error message given using previous to CheckForEquallySpaced columns

06/20/2008 10:52 AM - Ryan McFall

Status:	Resolved	Start date:	06/20/2008
Priority:	Normal	Due date:	
Assignee:	Ryan McFall	% Done:	0%
Category:	client	Estimated time:	0.00 hour
Target version:	Unspecified	Spent time:	0.00 hour
Bugzilla-Id:	3405		
Description			
If only one type of data is being extracted from the spreadsheet, and we choose previous from the label data columns, an error message is given that tells us that a conflict occurs, when it shouldn't.			

History

#1 - 06/21/2008 04:02 AM - Ryan McFall

Fixed by clearing the values from the column assignment information map for the current field in setWizardData for the CheckForEquallySpacedColumns class.
