Target version:	1.2	Spent time:	0.00 hour
Bugzilla-Id:	342		
Description			
Some users requested that the package display show the modification timestamp for packages. Also wanted timestamps for creation and modification to be displayed for each metadata file. I'm not sure there is consensus on this request.			

History

#1 - 07/19/2002 09:08 AM - Matt Jones

We've decided to add Last Modified as a field in the resultset display and Open... dialog. Retargeting for 1.2 release and assigning to tao who will be revamping the display of resultsets.

#2 - 09/30/2002 01:20 PM - Jing Tao

Now, in result panel (both in open dialog and search result frame) there is item named last modified to show the timestamp
