### History

#### #1 - 06/27/2008 04:55 PM - Michael Lee

Manual version 4.1.6 has been updated. Datasheets need this note added.

#### #2 - 06/30/2008 03:40 PM - Michael Lee

done in datasheets, version 44, still need to fix in entry tool.

#### #3 - 06/30/2008 03:48 PM - Michael Lee

Actually, I don't think this affects the entry tool: the person entering just writes what was on the datasheet.
