#### Description

During testing on dev.nceas.ucsb.edu, could not insert new test documents using the "dev" skin nor the ecogrid PutService interface. error was:

```
<?xml version="1.0"?><error>Accession number is required</error>
```

after restarting dev server, the test document was inserted successfully.

#### History

##### #1 - 09/17/2008 03:45 PM - Michael Daigle

Created DBService class and made sure this class was only instantiated after the properties were configured. This assured that the appropriate db adapter was created.
