

Metacat - Bug #3495

Incorporate EML 2.1.0 access changes in metacat

09/29/2008 11:06 AM - Michael Daigle

Status:	Resolved	Start date:	09/29/2008
Priority:	Immediate	Due date:	
Assignee:	Michael Daigle	% Done:	0%
Category:	metacat	Estimated time:	0.00 hour
Target version:	1.9	Spent time:	0.00 hour
Bugzilla-Id:	3495		
Description			
EML 2.1.0 has changes to the access tree structure. Metacat needs to read and insert the correct access information.			

History

#1 - 10/21/2008 04:12 PM - Michael Daigle

Added the EML access control changes to the 2.1.0 sax handler. Created new test cases for inline data access.

#2 - 03/27/2013 02:23 PM - Redmine Admin

Original Bugzilla ID was 3495
