

Metacat - Bug #3505

Test registry service

10/02/2008 05:06 PM - ben leinfelder

Status:	Resolved	Start date:	10/02/2008
Priority:	Normal	Due date:	
Assignee:	ben leinfelder	% Done:	0%
Category:	metacat	Estimated time:	0.00 hour
Target version:	1.9	Spent time:	0.00 hour
Bugzilla-Id:	3505		
Description			
We can start with locally (registry.war in seek project). Should also drop it on the dev server			

History

#1 - 10/05/2008 06:43 PM - ben leinfelder

reverted back to the metacat.properties-based way of configuring this webapp.

The JUnit test could probably be improved since it can fail depending on what services had been previously registered. The test tries to modify existing services, but looks them up by a non-unique attribute...

#2 - 10/06/2008 10:19 AM - ben leinfelder

changed registry service test class to use docid-based approach for searching, updating and deleting.

#3 - 10/06/2008 10:59 AM - ben leinfelder

deployed on dev.nceas.ucsb.edu

tests passed

#4 - 03/27/2013 02:23 PM - Redmine Admin

Original Bugzilla ID was 3505
