Description

While it might be functional, it's not winning any pageants.
A nice graphical refresh - thanks to our new fearless graphics guru, Debi - would be welcomed!
Mostly need the header dealt with, and perhaps some hints as to how to format the section markers and page layout.

talked this through with debi. she's got it on her list.
i'll do the implementation in metacat when she has a nice header and footer for me.

#2 - 10/30/2008 01:20 PM - ben leinfelder

new graphics are added.
looking good!
