Category:	metacat	Estimated time:	0.00 hour
Target version:	1.9	Spent time:	0.00 hour
Bugzilla-Id:	3545		
Description			
knb web server serves up metacat zip and tgz files. Need to update knb install to get those.			

History

#1 - 10/23/2008 02:39 PM - Michael Daigle

Added links to metacat binary tgz and zip files. Added knbweb install instructions to nceas help site.
