

Morpho - Bug #3549

measurementType dateTime is not displayed for a time column

10/22/2008 11:20 AM - Margaret O'Brien

Status:	Resolved	Start date:	10/22/2008
Priority:	Normal	Due date:

It looks like the wizard page for this sometimes get rendered such that not all the options are displayed. You can resize the window and see all the options (Unordered, Ordered, Relative, Absolute, Date-Time). Perhaps the wizard frame size should be increased, or the layout manager[s] tweaked to prevent this hiding of the options.

oh - it's when the sample data column appears in the left of the wizard frame.

#3 - 11/11/2010 11:53 AM - ben leinfelder

i've increased the height of the attribute wizard screen
