

FIRST - Bug #3580

Extracted Questions content not scrollable

10/29/2008 06:39 PM - Ryan McFall

Status:	Resolved	Start date:	10/29/2008
Priority:	Normal	Due date:	
Assignee:	Ryan McFall	% Done:	0%
Category:	parser	Estimated time:	0.00 hour
Target version:	client-alpha3	Spent time:	0.00 hour
Bugzilla-Id:	3580		
Description			
If the viewable size of the extracted questions portion of the question editor is not big enough to display the full content of the questions, there is no way to scroll horizontally. The window has to be enlarged in order to see all of the content.			

History

I left this at alpha3 because I think it's fairly easy to fix. It's not really crucial for correct functionality, however.

#2 - 05/04/2009 09:22 AM - Sandeep Namilikonda

This bug has been fixed already (Feb 2009, implemented scrollable interface for ExtractedQuestionsPane)!
