

InfoVeg - Bug #3700

Import from other herbaria

12/12/2008 05:39 AM - Robert Peet

Status:	Resolved	Start date:	12/12/2008
Priority:	Normal	Due date:	
Assignee:	Robert Peet	% Done:	0%
Category:	atlas	Estimated time:	0.00 hour
Target version:	Unspecified	Spent time:	0.00 hour
Bugzilla-Id:	3700		
Description We can download SE records from MO/Tropicos We can request SE records from NY; already cleared orally with Barbara Thiers. We should polk around and find what other major collections we might download from.			
Related issues: Has duplicate InfoVeg - Bug #3740: Add databased collection records from GBIF... <div>New01/12/2009</div>
