<b>Bugzilla-Id:</b>	3733		
<b>Description</b>			
When clicking on which column contains responses, you are prompted when the data is non-numeric. This should only happen for scores. I was doing this with regularly spaced columns, not sure if it happens when that is not the case.			

### History

#### #1 - 05/20/2009 06:42 PM - Ryan McFall

Added check to make sure that this page was on the Scores field before making this check; it now doesn't occur for other fields.
