

Metacat - Bug #3751

Move skins to external directory

01/14/2009 03:03 PM - Michael Daigle

Status:	Resolved	Start date:	01/14/2009
Priority:	Normal	Due date:	
Assignee:	Michael Daigle	% Done:	0%
Category:	metacat	Estimated time:	0.00 hour
Target version:	Unspecified	Spent time:	0.00 hour
Bugzilla-Id:	3751		
Description			
We need to move the skins to a directory outside of the application directories so they don't get blown away every time someone makes a change.
