Is duplicate of FIRST - Bug #3871: HTML tags	**Resolved**	**03/08/2009**	

History

#1 - 03/09/2009 09:06 AM - ben leinfelder

It used to be that all question content was wrapped in HTML. Then something changed (around the time that bold/ital/underline was introduced oddly enough). That's all I know.
