### Description

The grid boxes in the text import wizard should not allow the user to alter the text within them.  this is confusing because it makes it seem like you are editing the data when in fact, you are not.  The entire grid should be made uneditable.

## History

**#1 - 02/26/2002 02:29 PM - Dan Higgins**

Data table has been modified so that grid cells are no longer editable

**#2 - 03/27/2013 02:14 PM - Redmine Admin**

Original Bugzilla ID was 389
