Metacat - Bug #3891

Create a scheduler service

03/16/2009 03:10 PM - Michael Daigle

Status:	Resolved	**Start date:**	03/16/2009
Priority:	Normal	**Due date:**	
Assignee:	Michael Daigle	**% Done:**	0%
Category:	metacat	**Estimated time:**	0.00 hour
Target version:	Unspecified	**Spent time:**	0.00 hour
Bugzilla-Id:	3891		

Description

Right now, tasks in metacat are scheduled either via an event, like hitting metacat servlet, or timed delays. We should have a scheduler that schedules via real world time.
