

Morpho - Bug #3979

File-> save has no response when a user tries to save an invalid doc

04/13/2009 12:54 PM - Margaret O'Brien

Status:	New	Start date:	04/13/2009
Priority:	Normal	Due date:

Target version:	1.9	Spent time:	0.00 hour
Bugzilla-Id:	3979		
Description			
a user (inadvertently) created a document which had duplicate IDs (see bug #3978). When she tried to save it to the network, Morpho did nothing - and displayed no error message. Morpho saved the package locally. Then Morpho displayed an earlier revision of the data package, which confused the user.
