

Kepler - Bug #3990

Include "workflow-run-manager" module in "wrp" suite

04/20/2009 11:54 AM - ben leinfelder

Status:	Resolved	Start date:	04/20/2009
Priority:	Normal	Due date:	
Assignee:	ben leinfelder	% Done:	0%
Category:	reporting	Estimated time:	0.00 hour
Target version:	2.0.0	Spent time:	0.00 hour
Bugzilla-Id:	3990		
Description			
Rather than running as it's own suite, the WRM module should be included in the WRP suite. WRP includes provenance and reporting modules thus far.			

History

#1 - 04/29/2009 01:58 PM - ben leinfelder

I've removed the [placeholder] WRM screen from reporting's config and module.
I've added the WRM module to the wrp suite modules.txt file
I've included the WRM tab in the wrp suite config.

#2 - 04/29/2009 02:53 PM - ben leinfelder

closing this - now running with the real WRM in the "wrp" module
