| Target version: | 2.0.0 | Spent time: | 0.00 hour |
| Bugzilla-Id: | 4014 | | |
| Description | | | |
| This check box should be removed because we do not currently support including class files in the kar. | | | |

History

#1 - 04/24/2009 12:28 PM - ben leinfelder

This is not a checkbox - it is a JOptionPane dialog with the prompt:

"Would you like to save the actor's class file within the KAR file? This is usually not necessary unless you have created a custom actor in Java (i.e. not a composite or expression actor.)"

I am commenting that out (default saveClass=false)

#2 - 04/24/2009 12:32 PM - ben leinfelder

commented out the dialog.
