Description

From Dan Higgins:
I discovered that I need to set the organization to 'unaffiliated' in order
to login after creating an account with 'Other' as the organization on the KNB
web page! This is likely to be pretty confusing for many potential users.
Perhaps the web page should have 'unaffiliated' rather than 'other'?

Comments from Matt Jones:
I agree. Will change on web forms.

History

#1 - 01/29/2002 08:51 AM - Matt Jones

Fixed. Changed the label to 'unaffiliated' to match the value and what needs to
be entered into morpho.
