Bugzilla-Id:	4189			

Description

After the labels are filled in, and then re-ordered, the dynamic report item panels are not rendering the labels correctly.

History

#1 - 06/26/2009 02:55 PM - debi staggs

This bug has been fixed, the dynamic report item panels are now rendering correctly, and should be correct in the model as well.

#2 - 06/26/2009 02:57 PM - debi staggs

I think we can close this bug.
