<b>Target version:</b>	SanParksRelease	<b>Spent time:</b>	0.00 hour
<b>Bugzilla-Id:</b>	4190		
<b>Description</b>			
Create a 'view' class for each of the dynamic and static item subclasses. This might help to make it easier to synchronize the state / view of the object with the report model.			

#### History

---

**#1 - 07/01/2009 05:20 PM - debi staggs**

Closing this bug, ended up creating view class only for the Dynamic Report Item.  
Creating views for the static items doesn't add any value, and creates unnecessary complexity.
