

Kepler - Bug #4241

Report Designer - Can't select text in the Section Header static report item

07/10/2009 01:50 PM - debi staggs

Status:	Resolved	Start date:	07/10/2009
Priority:	Normal	Due date:	
Assignee:	debi staggs	% Done:	0%
Category:	reporting	Estimated time:	0.00 hour
Target version:	2.X.Y	Spent time:	0.00 hour
Bugzilla-Id:	4241		
Description			
If you want to select the text in the Section Header static report item, so that you can copy it using keyboard commands, it doesn't get the focus, so it doesn't allow you to select the text. The text static report items do allow you to.			

History

#1 - 07/26/2009 03:05 PM - debi staggs

You can now select the text in the section header.

#2 - 03/27/2013 02:26 PM - Redmine Admin

Original Bugzilla ID was 4241
