<b>Description</b>			
Need to add suites besides just kepler to the nightly build.			

#### History

**#1 - 07/20/2009 05:00 PM - Chad Berkley**

Added the WRP suite to the NMI build. If you want your suite added, let me know.

I've haven't had any requests to add more suites to the nightly build so I'm going to close this for now. Any suites that you want added, just let me know.
