<b>Description</b>			
With my r19997 check-in i've added this bug where you now get an NPE if you try to delete a run from WRM before running a workflow -- this probably has to do with the merging of the Manageable interface into recording. Maybe I'm not initializing something...			

#### History

---

**#1 - 07/16/2009 11:12 AM - Daniel Crawl**

Fixed: needed connection to database before issuing SQL delete.

**#2 - 03/27/2013 02:26 PM - Redmine Admin**

Original Bugzilla ID was 4252
