Kepler - Bug #4303

LSID Component Search

08/10/2009 05:17 PM - Aaron Aaron

Status:	Resolved	**Start date:**	08/10/2009
Priority:	Normal	**Due date:**	
Assignee:	Aaron Aaron	**% Done:**	0%
Category:	general	**Estimated time:**	0.00 hour
Target version:	2.X.Y	**Spent time:**	0.00 hour
Bugzilla-Id:	4303		

Description

Add ability to search for objects in the component library by their LSID.

History

#1 - 10/06/2009 12:10 AM - Aaron Aaron

This works now, however the tree path to the object is still not quite right. Close this bug after the full path is returned properly and not just the component.

#2 - 10/06/2009 02:19 PM - Aaron Aaron

The full path is now properly returned in the results. Searching for KeplerLSIDs in the component library is fully operational.   Closing this bug/enhancement/enabler
