| We should add a new menu item under Data for Creating 'Other Entity...'. So user has the ability to import other Entity type into morpho. |                  |                        |                   |

| Blocked by Morpho - Bug #1791: need ability to add data types other than data...                                                          |                  | <b>In Progress</b>     | <b>11/30/2004</b> |

### History

#### #1 - 09/03/2009 03:03 PM - Jing Tao

it is subset of bug 1791

#### #2 - 05/05/2010 04:14 PM - ben leinfelder

"Import Other Data..." is now an option

#### #3 - 05/06/2010 02:01 PM - Jim Regetz

Quick observation based on experimentation. I see the "Import Other Data..." option and it works nicely, but only if the DP already contains at least one data table. If the DP only includes metadata, nothing happens when I choose "Import Other Data..." from the menu.

I'm using svn rev 4879.

#### #4 - 05/06/2010 02:55 PM - ben leinfelder

needs to work in absence of existing data tables/entities

#### #5 - 05/07/2010 10:02 AM - ben leinfelder

now works with no existing entities present

#### #6 - 05/07/2010 10:57 AM - ben leinfelder

changing the Entity Name to match the Object Name. I actually think I'll add a text field so that you can enter a more descriptive name to the entity if you wish. Otherwise it's just duplicated information (filename).

#### #7 - 05/07/2010 10:58 AM - ben leinfelder

oops - wrong bug

(In reply to comment [#6](#))

changing the Entity Name to match the Object Name. I actually think I'll add a text field so that you can enter a more descriptive name to the entity if you wish. Otherwise it's just duplicated information (filename).

#### #8 - 05/07/2010 11:02 AM - ben leinfelder

closing - reopen if more issues surround it.

#### #9 - 03/27/2013 02:26 PM - Redmine Admin

Original Bugzilla ID was 4365
