

Kepler - Bug #4396

Add a drag icon to the report item panels

09/21/2009 11:05 AM - debi staggs

Status:	Resolved	Start date:	09/21/2009
Priority:	Normal	Due date:	
Assignee:	debi staggs	% Done:	0%
Category:	reporting	Estimated time:	0.00 hour
Target version:	SanParksRelease	Spent time:	0.00 hour
Bugzilla-Id:	4396		
Description			
Add a drag icon to each of the report item panels. When the use clicks down, holds and drags on this icon, they can always drag the panel.			

History

I think that the new and improved highlighting eliminates the need for this icon. Also added a cross hair cursor when the user mouses over the portion of the panel that they can grab.
