Target version:	SanParksRelease		**Spent time:**	0.00 hour
Bugzilla-Id:	4399			

Description

When the user selects a panel, the highlighting should be less subtle.

History

#1 - 10/06/2009 03:27 PM - debi staggs

I have significantly enhanced the highlighting and selection, but am still in the process of improving it.

#2 - 10/09/2009 11:48 AM - debi staggs

The highlighting of the report item panels is now much more obvious. They now change from a very light semi-transparent green gradient to a darker one.
