Kepler - Bug #4508

report viewer should listen for executions to finish

10/27/2009 04:27 PM - Oliver Soong

Status:	Resolved		**Start date:**	10/27/2009
Priority:	Normal		**Due date:**

Target version:	wrp-modules-2.0.0		**Spent time:**	0.00 hour
Bugzilla-Id:	4508			

Description

After running a workflow in the report viewer, the user must "change" to the report viewer before the report is updated with the new content. The viewer should listen for the executions and update when the execution is finished.

History

#1 - 10/27/2009 05:05 PM - ben leinfelder

added handling for the event being broadcast by reporting
