

Morpho - Bug #4553

Failure to save Locally-saved Packages based on MS ACCESS tables to Network

11/16/2009 02:11 PM - Rick Reeves

Status:	Resolved	Start date:	11/16/2009
Priority:	Normal	Due date:	
Assignee:	Jing Tao	% Done:	0%
Category:	morpho - general	Estimated time:	0.00 hour
Target version:	Unspecified	Spent time:	0.00 hour
Bugzilla-Id:	4553		
Description			
<p>We created Data Packages for MS Access Tables using Morpho Data/Import MS Access Database option. Were successful in creating and saving the packages locally. But when we try to save/upload the locally-saved packages to the network, using File/Save/SaveToNetwork, Morpho throws errors related to empty or incorrect EML fields.</p> <p>Screenshots of the error messages and the eml files that generated the errors have been sent to Jing in the file "ForBugzillaSaveNetworkReport.zip"</p>
