Kepler - Bug #4565

clean wrp checkout has no actors

11/19/2009 07:15 PM - Oliver Soong

Description

I just did a clean checkout, and the Components, Projects, and Statistics branches are completely missing. The Actors, Directors, Provenance, and R folders still exist and I can instantiate through them.

I did a checkout of the build-area, followed by ant change-to -Suite=wrp, then ant run.

History
