

Kepler - Bug #4626

NPE when saying "yes" to adding a semantic type while saving a KAR

12/10/2009 06:27 PM - Oliver Soong

Description I'm at r22155. File->Save Archive (KAR) and answer yes to adding a semantic type. I'm getting an NPE. Exception in thread "AWT-EventQueue-0" java.lang.NullPointerException at sun.misc.MetalIndex.mayContain(MetalIndex.java:225)
