Kepler - Bug #4790

cmd-click in wrp does not create relation

02/11/2010 02:43 PM - Daniel Crawl

Bugzilla-Id:	4790		

Description

On a mac, doing a cmd-click in the canvas creates a relation (diamond icon) both in the kepler suite, and kepler 1.0, but not in wrp.

Also, the tooltip for the relation toolbar button says "Control-click", which is wrong for mac.
