<b>Target version:</b>	wrp-modules-2.0.0	<b>Spent time:</b>	0.00 hour
<b>Bugzilla-Id:</b>	4924		
<b>Description</b>			
If you try to tag a run in the Workflow Run Manager when provenance is turned off, you get errors.			

#### History

##### #1 - 04/12/2010 01:02 PM - Derik Barseghian

Tagging should probably implement ProvenanceEnabledListener to disable the ability to tag a run when provenance has been disabled. I'm imagining the tagging text field showing a warning message, and the drop down list no longer drops down.

##### #2 - 04/15/2010 01:11 PM - Derik Barseghian

fixed in r23719. context now switches to workflow when provenance is disabled.
