

Kepler - Bug #5048

Can't clean (or do other build system operations) offline

06/14/2010 02:57 PM - Sean Riddle

Status:	In Progress	Start date:	06/14/2010
Priority:	Normal	Due date:	
Assignee:	David Welker	% Done:	0%
Category:	build system	Estimated time:	0.00 hour
Target version:	2.X.Y	Spent time:	0.00 hour
Bugzilla-Id:	5048		

Description

When I try to run "ant clean" from the sensor-view suite, I get the exception below. The module kepler-2.0.^ is not referenced by the modules.txt file, directly or otherwise, but is referenced in the modules.txt of an inactive module that is downloaded.

clean:

```
